12. Conditions

The conditions listed in this section are an integral part of this application and the contract.

The owner/annuitant may request a transfer or a partial or full surrender of a deposit from a **redeemable** guaranteed interest account before the end of its investment term, provided that the contract is not registered as a locked-in retirement account (LIRA) or a locked-in RSP. However, no interest is credited on any amounts surrendered or transferred within 90 days from the date the deposit is invested in your contract. A \$50 transfer fee will also be deducted from any amount transferred from a GIA to another financial institution.

Unless otherwise instructed, Assumption Life is authorized to reinvest the market value of your guaranteed interest account deposits upon maturity of the investment term under the same terms and conditions with the exception of the interest rate, which will be the one determined by Assumption Life for such deposits at the time of reinvestment.

You are not required to keep the invested amounts in the daily interest account for a fixed term. Subject to the applicable LIRA and locked-in RSP limitations, you may, at any time, make surrenders or transfers from the daily interest account, without fees or penalties.

The effective date of the contract is the date upon which Assumption Life receives the first deposit payment at its head office along with this application duly completed, signed and dated.

If you have chosen to make your periodic deposit investments through preauthorized debit (PAD), you must keep this account open. You must also ensure that there are sufficient funds in this account at time of withdrawal. You thereby authorize the financial institution referred to in section 8 of this application to make these transactions as long as your consent has not been revoked in writing. You must notify Assumption Life in writing if you wish to make withdrawals on a different account, change the deposit amount or make any other changes to your PAD plan.

Taxation

Subject to the restrictions of your contract, any surrender or payment is taxable for the year during which the transaction is completed.

If you have chosen to invest in investment accounts, you confirm that you have received advice from your financial advisor with regard to investments and acknowledge that the investment accounts you have selected correspond to your investment objectives. Any deposit invested in an investment account is invested at your own risk, and its value may increase or decrease according to the reference funds' fluctuations.

Assumption Life uses your social insurance number solely for tax purposes in terms of administration of your contract and in compliance with all applicable legislation.

Annuity deposit options

You may always modify the maturity date of your contract at any time prior to annuity commencement date, being the maturity date. The maturity date must not be beyond December 31 of the year in which the annuitant reaches age 71. If the maturity date chosen is before December 31 of the year in which the annuitant reaches age 69, you give up the guarantee at maturity.

At the maturity date we will convert your annuity contract into a fixed monthly annuity payable until the annuitant's 90th birthday, unless the owner has provided us with other specific instructions with regard to the payment terms of the annuity. You may always modify the annuity payment option of your contract at any time prior to annuity commencement date, being the maturity date, by providing us with written instructions at our head office.
