In this statement, “you” and “your” refer to you. “We,” “us,” “our” and “the Company” refer to Assumption Mutual Life Insurance Company, its employees, representatives, and agents. “Third Parties” mean the advisors, brokers, distribution partners, reinsurers or service providers having a business relationship with us, including their respective employees, representatives, and agents.

Purpose

By signing this form, you consent that we collect your personal information for the purpose of administering your Product, now and in the future, as outlined below. We only collect the personal information that we need in order to provide you with the services you need associated with your Product. Such services include underwriting, administration, claims adjudication, annuity payments, protection against fraud, errors, or misrepresentations as well as evaluation and improvement of protection and security measures.

Personal information we collect

Your personal information may include your name, address, email address, date of birth, name of your spouse when required, your sensitive financial information such as your banking information, your income, your social insurance number (SIN), etc. With your consent, we may also collect your electronic or digital signature through a Third-Party service provider platform or system. If you complete a Product application or a subscription form online, we will collect the electronic data associated with the electronic process. We may collect this data through a Third-Party service provider system.

Use

Your personal information will only be used for the purpose for which it was collected. Only us and Third Parties who need your personal information for the performance of their duties will have access to your personal information. We may also use your personal information to determine your eligibility for, and provide you with details of, other related products or services that we believe meet your changing needs. You may withdraw your consent for us to use your personal information to provide you with other products or services offered.
