

SIMPLIFIED ISSUE INSURANCE SOLUTIONS

Assumption Life

The simplified issue insurance experts

Each year, many Canadians are declined for underwritten insurance coverage, thus leaving thousands of families without a safety net. Applying for underwritten life insurance can be a long and strenuous process and sometimes insurance companies will only accept clients for underwritten insurance under a rated policy, meaning the client must pay more for the same coverage!

Trust the company that has been specializing in simplified issue life insurance solutions for **over 20 years**.

Coverage amounts vary from a minimum of \$1,000 up to \$250,000, and our products can be combined in different ways in order to meet your client's needs. A couple can even apply for two different simplified issue products under a single application or for a combination of permanent and term coverage.

Our worry-free application process takes all the guesswork out of the equation. As long as your client answers "no" to all the medical questions and the application information is verified by the MIB, Inc. (MIB), your client is approved!

Quick simplified issue triage tool

Use the table below to see which solution would best fit your client's health condition. Start from the left column and move towards the right until your client is able to meet the indicated requirement. Your client must meet all the requirements under a same column in order to consider that solution.
