www.lia.assumption.ca

1. Type lia.assumption.ca in your browser. Select the **Download** button.

2. Click the **Install** button in **step 1**.
This will install Adobe Air (Adobe Air is required for first time installation.)

3. The Adobe Air installer page will open, select **Download now**.

4. Once installed, proceed to **step 2**, select **Download** to install the Lia application.

5. The **Application Install** screen will pop up asking: **Are you sure you want to install this application to your computer?** Select **Install**.

6. On the **Application Install** screen, select **Continue**.

7. **Congratulations!** Your new sales platform is now installed.

8. Fill out your user profile:
If you are an **Assumption Life broker**, enter your current username and password. If you are **not an Assumption Life broker**, enter this temporary username: `lia.test2013` and this temporary password: `lia.test2013`

9. This is the icon that will appear on your desktop (PC) or in your applications folder (Mac).
