Investment segmentation

Are there any guarantees?

This fund is being offered under an insurance contract. It comes with guarantees that may protect your investment if the markets go down. The MER includes an insurance fee that is charged for the selected guarantee. For details, please refer to the information folder and the contract.

How risky is it?

Very low	Low	Low to moderate	Moderate	Moderate to high	High
----------	-----	------------------------	----------	------------------	------

The value of your investments can go down. Please see the *Individual Risk Factors* section of your information folder for further details.

Who is this fund for?

This fund may be right for a person seeking a balanced approach with some long term growth and more focus on income and who is comfortable with the ups and downs of the market.

How much does it cost?

One of the following sales charge options will apply. For details, refer to the information folder and discuss with your financial advisor.

1. Sales charges

Sales charge option	What you pay	How it works
Front End Sales Charge	N/A	N/A
Deferred Sales Charges	If you sell within: 1 year of buying 6.0% 2 years of buying 5.0% 3 years of buying 4.0% 4 years of buying 3.0% 5 years of buying 2.0% 6 years of buying 1.0% After 6 years 0.0%	When you invest in the fund, Assumption Life pays a commission of up to 5.2%. Any deferred sales charges are payable to Assumption Life. <ul style="list-style-type: none"> The sales charges are deducted from the amount you sell. You may sell up to 10% (20% for RIF tax types) of your units each year without paying a sales charge. You may switch to units of other funds within the same guarantee option without paying any sales charges. The sales charge schedule will be based on the date you invest in your first fund.

2. Ongoing expenses

The management expense ratio (MER) includes the management fees, the operating expenses, the insurance fee and applicable sales taxes for the selected fund guarantee. You don't pay these expenses directly. They affect you because they reduce the return you get on your investment. For details on how the guarantees work, see your variable annuity contract or your information folder.
