----------	-----	------------------------	----------	------------------	------

The value of your investments can go down. Please see the *Individual Risk Factors* section of your information folder for further details.

Investment segmentation

Are there any guarantees?

This fund is being offered under an insurance contract. It comes with guarantees that may protect your investment if the markets go down. The MER includes an insurance fee that is charged for the selected guarantee. For details, please refer to the information folder and the contract.

Who is this fund for?

This fund may be right for a person seeking potential for long-term growth and who wants to gain exposure to global equity and fixed income securities. This fund may be right for a person who can handle the volatility of returns generally associated with equity investments as well as a diversified portfolio in a single fund.

How much does it cost?

One of the following sales charge options will apply. For details, refer to the information folder and discuss with your financial advisor.

1. Sales charges

Sales charge option	What you pay	How it works
Front End Sales Charge	N/A	N/A
Deferred Sales Charges	If you sell within: 1 year of buying 6.0% 2 years of buying 5.0% 3 years of buying 4.0% 4 years of buying 3.0% 5 years of buying 2.0% 6 years of buying 1.0% After 6 years 0.0%	When you invest in the fund, Assumption Life pays a commission of up to 5.2%. Any deferred sales charges are payable to Assumption Life. • The sales charges are deducted from the amount you sell. • You may sell up to 10% (20% for RIF tax types) of your units each year without paying a sales charge. • You may switch to units of other funds within the same guarantee option without paying any sales charges. The sales charge schedule will be based on the date you invest in your first fund.

2. Ongoing expenses

The management expense ratio (MER) includes the management fees, the operating expenses, the insurance fee and applicable sales taxes for the selected fund guarantee. You don't pay these expenses directly. They affect you because they reduce the return you get on your investment. For details on how the guarantees work, see your variable annuity contract or your information folder.

Fund category	MER (Annual rate as a % of the fund's value)
Series A (no-load)*	2.99
Series B (no-load)*	3.97
Series C (back-end load)	3.80

*No exit fees are applicable to any transfer or partial or full surrender.

Trailing commission

Assumption Life pays a trailing commission to your advisor of up to 1.15% on series B funds and up to 0.5175% on series C funds of the value of your investments each year. This is for services and advice provided by your financial advisor. The trailing commission is already included in the management fee.

3. Other fees

- No fees are charged for the first 4 internal transfers made within a calendar year. A \$20 fee per transfer is charged for additional transfers.
- A transfer fee of \$50 per transfer to another financial institution is applicable to the partial or total transfer of any amount from your Assumption Life annuity contract to another financial institution regardless of whether the source of the funds is a segregated fund or a GIA.
- A \$25 fee is deducted directly from your contract, without notice, for any cheque or preauthorized debit which is not honoured by your financial institution.
- A monthly contract fee may apply for a group annuity contract and also for an individual annuity contract issued before December 31 2001.
